Redeeming Life Maternity Home

Redeeming Life Maternity Home with locations in Sanford, Florida and Carpentersville, IL is one of only a handful of maternity home ministries in the nation. Our mission is to preserve life by serving single pregnant women who lack the support of a loving, caring, Christ-centered home and family.

By partnering with us through the Angel Tree Gift Card Drive, you give hope to these women in a tangible way and make it possible for them to hear about and experience the love of God that is ours in Christ Jesus. Our goal is to inspire our residents to love and care for their children as God loves and cares for them.

Your gift will change lives for eternity!
